### Objective

The purpose of the morning briefing sessions during the 7<sup>th</sup> Session of the OEWG is to create an open space for both NGOs and representatives of UN Member States to discuss specific issues that would need to be considered in any discussion on content of a possible convention on the rights of older persons. The objective is not to generate solutions, but to stimulate further discussion and encourage greater understanding.

### Structure for sessions

- Each morning briefing session will be advertised widely to both NGOs and UN Missions.
- Each briefing session will include the following roles:
  - <u>Facilitator</u>: a different person each day chosen by the NGO Committees on Ageing. The goal of the facilitator is to ensure that there is an open and interactive dialogue in which a range of ideas can be heard and explored.
  - <u>Member State representative</u> provides some initial thoughts (5 minutes) on issues regarding this agenda from a Member State's perspective in order to catalyse discussion each day. Individuals can speak in their personal capacity.
  - <u>Civil Society representative</u> provides some initial thoughts (5 minutes) on issues regarding this agenda from the civil society perspective to catalyse discussion each day. These do not have to be in response to the considerations put forward by Member State representatives.
- Each briefing session will last 45 minutes:
  - $\circ$  5 minute introduction to the day
  - o 5 minute input from Member State
  - 5 minute input from civil society
  - o 20 minutes discussion
