4 Global youth statement

Transformative decisions at Rio+20 that put us on the path to a sustainable world

Widespread awareness of SD and Rio+20

Tangible actions that take us closer to sustainable future

Open space for young people's creativity and ingenuity
HOW TO GET YOUTH INVOLVED?

• learn about and participate in ongoing efforts
• link to national prep process on Rio+20
• support capacity building
• youth delegates
ROLE OF GOVERNMENTS: LOWER BARRIERS

- start dialogue (even informal), LISTEN!
- let them take leadership
- forge partnerships
- government as convenor and platform
